DELIVERY AND RETURN OPTIONS

Please choose your delivery and return options:

Customer Pickup - You can pick up your linens from our facility during the week of your event. Arrival time from our supplier varies, so you must call and arrange a pickup time with the office at 623-580-4653.

Free Delivery- Our free delivery means that the linens arrive with your assigned catering staff on the day of the event. They arrive about 2.0 hours prior to start time of the event which means you must assign someone to place your centerpieces and other items on the guest tables **after** our arrival.

Customer Return- You will insure the linens are removed from the tables, counted, and bagged. Linens can be returned to our facility on Monday or no later than Tuesday at NOON following your wedding.

Linen Pickup & Table Cleanup Charge- Our catering staff departs following the food service and is not present until the end of your event. You can request an overtime person who will stay until the close of your event, clear guest tables of cups and bottles, and remove linens. There is an \$50.00 charge for this service. (You are responsible for removal of centerpieces)
